

CERTIFIKAT

EC Certificate of Factory Production Control

No. 0402-CPD-16 90 02

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD - implemented in Swedish law by PBL), as later amended, it has been stated that the construction product

Wood based panels

characterised as

Structural Plywood Structural Plywood Roofing grade

placed on the market by

Moelven Vänerply AB
547 81 Otterbäcken
Sweden

and produced in the factory

Vänerply, Otterbäcken

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

No. 0402 - SP Technical Research Institute of Sweden

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986:2004

were applied.

This certificate was first issued on 10th December 2004 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly or at the latest until 10th December 2014.

This is issue No. 5.
